ORDER

The Court received Mr. Thrash's motion for the Court to reconsider the sentence of 21 months imposed on March 24, 2011 for violating numerous conditions of supervised release. Among the violations are a conviction for another crime and possession of a controlled substance.

Motions for reconsideration must typically be filed with 10 days of imposition of sentence. This motion was filed on October 14, 2011 and is untimely.

Even considering it on the merits, the Court believes the sentence was appropriate in light of the violations.

The motion is **DENIED**.
